ABOUT

DURBA is a construction and supplier company specializing in delivering and distributing goods and services into the markets where there is NGO, UN contractors and government institutions. The company is located at 21 October Road Mogadishu, Banadir. It was founded on Feb, 2018, by Abubakar Haji and Abdiladif Mohamed as a Supplier & service provider company.

DURBA operates mainly in Mogadishu. Given the growth of supplying construction materials, tools and furniture in the city, the company expects a favorable market outlook. The company's success for the first few years will base on the said market outlook, driving its expansion to neighboring cities in the future. DURBA also relies on the extensive industry experience of its leadership and staff to deliver high-quality services that meet the standards of its clients.
