About Company

DURBA is a construction and supplier company specializing in delivering and distributing goods and services into the markets where there is NGO, UN contractors and government institutions.

The company is located at 21 October Road Mogadishu, Banadir. It was founded on Feb, 2018, by Abubakar Haji and Abdiladif Mohamed as a Supplier & service provider company. DURBA operates mainly in Mogadishu. Given the growth of supplying construction materials, tools and furniture in the city, the company expects a favorable market outlook.

“The company’s success for the first few years will base on the said market outlook, driving its expansion to neighboring cities in the future.

DURBA also relies on the extensive industry experience of its leadership and staff to deliver high-quality services that meet the standards of its clients.

The logo for DURBA General Trading Company is centered within a large, rounded rectangular shape that has a blue-to-purple gradient. The word "DURBA" is written in a bold, white, sans-serif font with a registered trademark symbol (®) to its upper right. A white, stylized swoosh underline passes behind the letters. Below "DURBA", the words "General Trading Company" are written in a smaller, white, sans-serif font.

Deputy Chairman

Message From The Chairman

“With a strong foundation built on trust, innovation, and customer satisfaction, Durba has established itself as a leader in the supply of essential materials and solutions for construction, manufacturing, and home improvement. Our commitment to excellence ensures that every product we offer meets the highest standards of durability, reliability, and affordability.”

“Quality Supplies for Lasting Solutions.”

At Durba, we are proud to be a trusted partner in providing top-quality building materials, electrical supplies, tools and machinery, PVC pipes, and furniture to meet the diverse needs of our customers. Since our establishment, our focus has been on delivering exceptional products that empower businesses and individuals to create, build, and transform their projects into reality.

We strive to make a difference—not just by supplying products but by fostering growth and success for our customers. Whether you’re building a home, managing a commercial project, or seeking efficient tools and materials, Durba is here to support you every step of the way.

Thank you for choosing Durba as your reliable partner. We look forward to continuing to serve you with integrity, quality, and excellence.

Our Mission

The company's mission is to satisfy our clients with our excellent, high-quality, and sufficient services and products, as well as our team's passion and commitment. DURBA provides extensive delivery and supplying all materials imported and brought by Al-Arabia Corporation to supply well-designed clients such as NGO, UN contractors, constructions companies and government.

DURBA will be the leading vertically integrated Service provider Company in the East Africa

Our Vision

The company's vision is to be the top choice in the market when it comes to construction, building materials and ICT Solutions.

We envision to be the leading construction firm and building material supplier in the state of Banadir that provides efficient and high-quality construction services to the society.

“Your trusted partner in Mogadishu for construction materials and expert services”

Dhise is a privately held holding company, located in Mogadishu Somalia, it is one of the leading suppliers of construction materials and space furnishing to large number of contractors in Somalia

Dhise was founded in 2004. during the first ten years of our existence we operated as Arab General Trading Company. In 2014 the need to do corporate re branding arose, after which the company was renamed Al Arabia General Trading Company and incorporated henceforth.

Our wholesale building material supplies began with a handful of employees and has significantly grown, today we occupy over 200,000 square feet of office and warehouse spaces

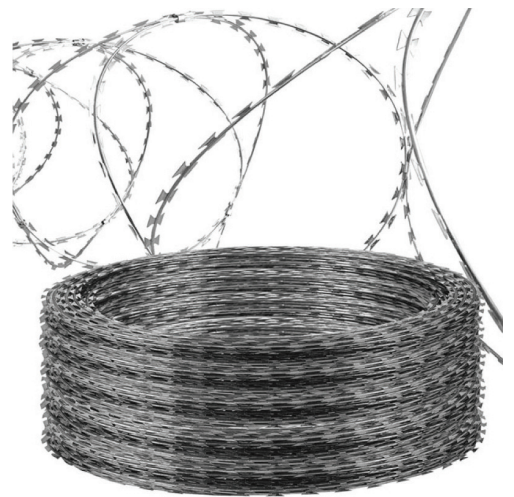

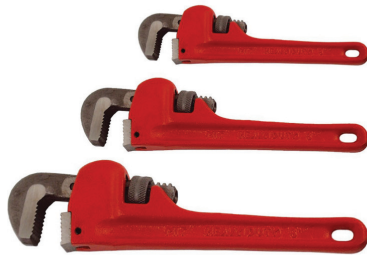

Since 2010 we have been expanding our corporate portfolio. The Company has evolved to become a key supplier of construction materials, Hardware tools, Electrics, Sanitary Ware and Furniture.

Our warehouses are abundantly filled with various branded products which are presently distributed to our customers by the company's fleet of 15 trucks.

As a general trading company, we import a wide range of merchandise from around the world. This diversity enables us to offer products that will satisfy the requirements of customers.. Moreover, our citywide network of Major Product's sales offices allows us to provide highly specialized services at multiple outlets.

Today the company operates as a complete solutions provider for constructions needs using our collective skills such as our deep knowledge towards the market and our products.
